

- |                                |                                       |
|--------------------------------|---------------------------------------|
| 1. Argeton tile plate          | 6. Aluminium carrier rail, horizontal |
| 2. Clamp                       | 7. Insulation                         |
| 3. Aluminium profile, vertical | 8. Junction profile                   |
| 4. Aluminium cleat             | 9. Drainage abutment profile          |
| 5. Thermal separation          | 10. Sealing tape                      |

**Notes**

The details shown are simplified technical suggestions. The planning and realisation of the facade design are carried out building-specifically and in particular cases are to be adapted to the country building codes and guidelines.
